SUMMARY OF SERVICES RENDERED

11. The services rendered by the Trustee to the Debtor were necessary and appropriate. The compensation requested is commensurate with the complexity and nature of the issues and tasks involved.

12. The following project categories detail the activities performed by the Trustee and the time spent in performance of each such service are as follows.

LEGAL SERVICES PROVIDED TO DEBTOR

A. 110-Case Administration	4.60 Hrs.	\$1,840.00
-----------------------------------	------------------	-------------------

13. These fees include all services rendered by HF concerning the general administration of this case which include time for matters that are not readily classifiable into more specific matters including: (1) reviewing, and conferring with Debtor's counsel regarding operating reports; (2) preparing for and attending initial debtor interview, status conferences required by the Court and communications regarding the same; (3) general correspondence with the Debtor's counsel regarding developments and case strategy; (4) general correspondence and communications with creditors; and (5) other general administrative tasks that were not easily categorized into other matters.

4.9 Hrs. \$1,960.00

B. 140-Relief from Stay/Adequate Protection

14. Time was billed to this matter to prepare for and attend various hearings and status conferences related to motions for relief from stay and district court hearings regarding the same. Time was also billed to this matter related to email correspondence and phone conferences with various constituents regarding relevant issues.

C. Professionals .10 Hrs. \$40.00

15. Time was billed to this matter for email correspondence related to employment of Debtor's counsel.

D. Litigation Matters .10 Hrs. \$40.00

16. Trustee billed time to this matter to review order granting summary judgment.

E. 320-Plan and Disclosure Statement 4.5 Hrs. \$1,800.00

17. Trustee billed time to this matter relative to discussions with Debtor's counsel regarding filing Chapter 11 plan; reviewing plan and related exhibits and related pleadings seeking to extend voting deadlines and to attend hearing on plan confirmation. Trustee also

billed time to this matter to correspondence and conferences with creditors regarding issues relative to plan confirmation and potential objections.

First Colonial Factors

18. Pursuant to Bankruptcy Local Rule 2016(a), fee applications must include a discussion of the factors considered in *American Benefit Life Ins. Co. v. Baddock (In re First Colonial Corp. of America)*, 544 F.2d 1291, 1298-99 (5th Cir.), *cert. denied*, 431 U.S. 904 (1977). Consideration of the factors listed in First Colonial Corp. indicates that the compensation requested by Trustee for the services rendered during the Compensation Period is reasonable:

- (i) Time and Labor Required. As set forth in detail on Exhibit A, Trustee spent 14.2 hours during the Compensation Period performing her required duties as Trustee to the Debtor.
- (ii) Novelty and Difficulty of the Questions. The services of a Subchapter V Trustee require special knowledge of the Bankruptcy Code.
- (iii) Skill Requisite to Perform the Service Properly. Acting as a Subchapter V Trustee required knowledge of the Bankruptcy Code and, in particular, its' provisions as they relate to the Debtor's rights and duties under Chapter 11 of the Bankruptcy Code.
- (iv) Preclusion of Other Employment Due to the Acceptance of the Case. To the extent the Trustee devoted time performing her duties and assisting the Debtor, she was precluded from performing legal services on behalf of other clients. Aside from the foregoing, there was no preclusion from other employment.
- (v) Customary Fee. The Trustee has requested a total fee which it feels is reasonable under the circumstances. The hourly rates applied for are the normal rates charged by the Trustee during the period of its service. In the opinion of the Trustee, such rates are in line with the

community standard for comparable work.

(vi) Whether the Fee is Fixed or Contingent. The fees in a bankruptcy proceeding are always contingent upon ultimate approval by the court and contingent upon there being assets available with which to pay such fees.

(vii) Time Limitations imposed by client and other circumstances. Subchapter V imposes certain deadlines which must be met. No other time limitations were imposed by this case.

(viii) Amount Involved and Results Obtained. This factor is not applicable in this proceeding.

(ix) The experience, reputation, and ability of the professionals. Melissa A. Haselden is board certified in business bankruptcy by the Texas Board of Legal Specialization. She believes she is generally recognized in this district for her abilities and competency, particularly in the field of bankruptcy law.

(x) The Undesirability of the Case. This factor is not applicable in this proceeding.

(xi) Nature and Length of Professional Relationship with Client. The nature and length of professional relationship with client is not a factor in this proceeding.

(xii) Awards in Similar Cases. Given the fact that Subchapter V has been so recently enacted, the Trustee is unaware of fees awarded to other Subchapter V Trustees in similar cases. However, the Trustee made every effort to limit fees while also providing necessary services and support to the Debtor.

FIRST AND FINAL APPLICATION.

19. The Trustee requests the Court to authorize compensation to be paid to Trustee and HF in the amount of \$5,680.00 for fees which it incurred between June 01, 2021 and January 31,

2022. The Trustee also requests that this Court authorize reimbursement to it for expenses totaling \$0.00.

ESTIMATED AMOUNT TO PREPARE FINAL FEE APPLICATION.

20. The Trustee further requests payment of \$600.00 related to the cost of preparing and serving this Application.

WHEREFORE, the Subchapter V Trustee requests that the Court:

- a) Authorize payment and reimbursement of \$6,280.00 to Trustee and HF representing (a) fees of \$5,680.00; (ii) expenses of \$0,00; and (iii) reimbursement of fees and costs of \$600.00 for the preparation and service of this Application; and
- b) Grant such other and further relief to which the Subchapter V Trustee may show itself to be justly entitled.
